Accumeric International disclaimer

The name "Accumeric" signifies a closely held network accounting and consulting firms providing assurance, tax and other business services, the "Group". Services are delivered by the member and correspondent firms of the Group, a network of independent firms throughout the world.

The Group is a non-practicing, non-trading international umbrella organization and does not deliver services in its own name. Each member and correspondent firm in the Group is a separate independent firm.

These firms are not members of one international partnership or otherwise legal partners with each other, nor is any one firm responsible for the services or activities of any other. Each firm governs itself and handles its administrative matters on a local basis.

The firms are joined by a common professional vision, are especially focused on entrepreneurial, owner-managed businesses and share a commitment to providing high quality service to their clients when they do business outside their home country.

Accumeric LLC, wholly-owned by sanctioned CPA firm, is located in the United States and is a member firm of Accumeric Group.
